About Us

Sofi Space Designs is a creative interior design studio dedicated to transforming spaces into elegant, functional, and inspiring environments. We specialize in residential and commercial interiors, offering end-to-end solutions from concept development to final execution.

With a strong focus on detail, innovation, and client satisfaction, we blend aesthetics with practicality to create spaces that truly reflect our clients' vision and lifestyle. Our expertise in 2D planning and 3D visualization ensures clarity, precision, and excellence in every project.

Our Philosophy

Design Ethos

At Sofi Space Designs, our design philosophy is rooted in creating spaces that balance aesthetics and functionality. We believe that every space should reflect the personality, lifestyle, and aspirations of its user.

Approach

Our approach focuses on thoughtful space planning, attention to detail, and the seamless integration of form and function. We aim to deliver designs that are timeless, practical, and visually refined.

Our Design Process

01 Consultation

We begin by understanding your requirements, lifestyle, preferences, and budget to create a clear design vision.

02 Concept Development

We develop mood boards, themes, and initial ideas that align with your style and space.

03 Design & Planning

Detailed layouts and smart space planning ensure functionality along with aesthetics.

04 Execution & Supervision

We handle on-site work, coordinate with vendors, and ensure timely execution.

05 Final Styling & Handover

Finishing touches, styling, and a complete handover of your beautifully designed space.

Why Choose Us?

- 01** Experienced Designers
- 02** Personalized Solutions
- 03** Timely Project Delivery
- 04** High-Quality Materials
- 05** Strong Client Collaboration

Creative designs, smart planning, and flawless execution—everything your space needs. We deliver quality interiors on time, with complete transparency and care.

Project 1 – Butter berry kiosk

This project at Gaur Mall marks our first step into interior design, where we designed and executed the Butter Berry kiosk. We managed the entire process— from layout planning and 3D visualization to on-site execution.
